

ESTIMATED LEAD TIMES

Manufacturing Time + Transit Time = Estimated Lead Time The week of delivery on your order acknowledgement will be the estimated lead time.

Effective October 13, 2025 through October 17, 2025

Number of Changes: 4

| Estimated work of delivery by rode is calculated in the interpretable driver within the product family, Public product family, Public product family, Public product family, Public product and a factor family of the receive or interdoc product and a factor family for the receive or interdoc product and a factor family fam | | | | | | |
