# Simple control of all VELUX skylights and shades with one remote

[Learn More >](#)

We believe it should be easier to create your perfect home environment with VELUX skylights and shades. Now, with VELUX Touch, you only need to reach for one remote to take control of every skylight and shade you install. Talk about indoor comfort right at your fingertips!

- Remote operation in room where your skylights are installed
- Operate multiple products at once
- Group skylights and shades to operate together
- Set the ventilation timer for regular automated home airing
- Lock home option to securely close all your skylights automatically
- Preset shade and skylight positions for even easier operation

The Touch remote controls both skylights and shades, featuring ventilation timing and programmable presets.

# Three Layers of Water Protection

[Learn More >](#)

At VELUX, we've developed three layers of water protection to safeguard your house against damaging leaks. Our skylights carry a 10-year installation warranty plus 20 years on glass, 10 years on product, and 5 years on shades and controls.

Rest easily underneath your skylight knowing that it will never let in rain or moisture.

- 1 **Pre-attached deck seal** provides a tight seal for leak-proof installation.
- 2 **Adhesive underlayment** provides secondary water protection in harsh weather conditions.
- 3 **Engineered flashing** provides primary water protection and allows for easy installation.
