

# STREAMLINED DESIGN

---

## Pure Reliability

Designed with strong, durable Ultrex® fiberglass exteriors and interiors to meet required performance ratings and remain virtually maintenance free for years.

---

## Durable Finishes

Features a low-maintenance, long-lasting appearance, even when subjected to temperature fluctuations. A proprietary AAMA-verified acrylic finish resists fading and scratches, even in darker colors.

---

## Streamlined Selection

Narrow profiles, clean lines, and straightforward features, sizes, and options satisfy industry design preferences and make it easy to choose and order.

# Design and Performance Made Easier

Streamline window and door selection with the Marvin Essential® collection, featuring a clean, simple design sense and proprietary Ultrex® fiberglass on both the exterior and interior.

## Essential Windows + Doors

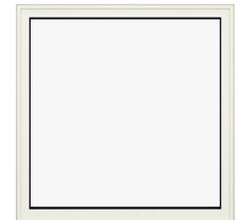

The Marvin Essential collection offers easy installation, minimal maintenance, and straightforward features.

## Interiors + Exteriors

Marvin Essential windows and doors have durable, strong, Ultrex® fiberglass interiors and exteriors, featuring our AAMA-verified acrylic finish for low maintenance and superior aesthetics.

### ULTREX INTERIOR FIBERGLASS COLORS

**Stone White**  
Available with your choice of exterior colors

**Bronze**  
Available when paired with Bronze exterior

**Gunmetal**  
Available when paired with Gunmetal exterior

**Ebony**  
Available when paired with Ebony exterior

### ULTREX EXTERIOR FIBERGLASS COLORS

**Stone White**

**Cashmere**

**Pebble Gray**

**Bronze**

**Gunmetal**

**Ebony**

## Hardware

Essential windows and doors feature classic low-profile, durable hardware for clean aesthetics, safety, and security. Choose a distinct interior and exterior handle finish that matches or complements the interior and exterior color of your door.

### HARDWARE FINISHES

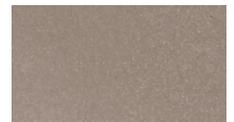

**Oil Rubbed Bronze\***

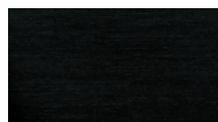

**Brass\***

**Satin Nickel\***

**Almond Frost**

**Matte Black**

**White**

\* The Physical Vapor Deposition (PVD) process adds a layer of toughness to hardware exposed to environmental factors like direct sun and humidity. PVD finishes resist fading and discoloration, even in coastal areas. PVD has the highest grade corrosion resistant finish.

## Exterior Trim

Ultrex exterior trim is offered with all rectangular Marvin Essential products in six exterior finishes. The durability, performance, and look of Essential collection windows and doors can be extended to the trim.
