ALL COLORS IN STOCK FOR IMMEDIATE SHIPMENT

NuCedar Shingles accurately capture the natural beauty and charm of precisely tapered, resquared, and rebuted cedar shingles. With no two shingles produced exactly the same, craftsmen are able to create the quilt-like patterns once only possible with natural cedar. Available in 14 traditional colors.

SKU	Shingles	Exposure	Thickness	Width	Box Qty	Colors

*1 box = 1/4 square (4 box per square) based on 5" exposure for 13" shingle and 7" exposure for 18" shingle.
1 Square = 100 Sq Ft of coverage

***Please note 18" shingles are suggested to be installed at 5-1/2" or 7" exposure**

***Installing at 5-3/4" to 6-1/2" exposure may cause the butt end of the shingles to raise 3/8" due to the nailing pattern. If you plan to install at these exposures, we recommend using adhesive and stainless brad nails 1" in and 1" up from each corner on the affected shingles.**
